

Nicole Bandes

Want to Live an AMAZING life AND Grow a Successful Business?

After losing her 17 y/o son, Nicole Bandes discovered her purpose: encourage others to make time for what matters most. In 2017, Nicole founded [Virtual A Team](#), a virtual services agency helping overwhelmed coaches and consultants who want to define success by the wealth of their lives, not the size of their bank accounts. Nicole also shares valuable tips as podcast host of [Coach's Copilot: Your Online Business Manager](#).

Inspiring and Actionable Conversation Topics:

YES You CAN Build a Successful Business Around an Amazing Life, Here's How

Nicole shares her story of how she's been able to successfully work less than 20 hours a week while building and growing a profitable business through outsourcing and delegating.

Why a Virtual Assistant May NOT be Your Best First Hire and What to Do Instead

When coaches and consultants start thinking about getting help, they default to hiring a Virtual Assistant. I can share 3 convincing reasons for why that might not be the best move and what to do instead.

Do it Yourself or Delegate, How to Earn More by Doing Less

You can choose to do things you don't love and aren't good at or you can make more money in less time by focusing on the things that only you can do. Let's talk about 5 key strategies coaches can use now to start delegating more and doing less.

“

What I love about Nicole Bandes as a presenter is her ability to show up authentically and captivate an audience with her personal and professional story while providing inspiration and practical advice. If you are looking for a guest that will motivate your audience to take control of their lives and give them a powerful emotional experience and connection to humanity, Nicole is your presenter.
